With Brexit bearing down on us, the issue of the repatriation of regulatory responsibilities from the European Union and of regulatory responsibilities from the European Union and European Commission has gained renewed salience. But, is the UK ready for their return? What will be required to rebuild a domestic regulatory capability? And, with a Government com-mitment to replicate the existing regulatory position – the EU legislative and regulatory *a* an *e* or *ac i c mm* – *na ai e* – at Brexit via the UK Repeal Bill, what, really, is at stake and over what horizon?
