

Global Tax Symposium 2025: Call for Papers

The Global Tax Symposia (GTS)

The Global Tax Symposia (GTS) are an interdisciplinary research platform on fundamental issues of international and comparative taxation. They bring together researchers and scholars from Africa, America, Asia, Asia-Pacific and Europe

The 2025 Global Tax Symposium

The 2025 Global Tax Symposium will be organised and hosted by the University of Münster (Germany). The event will last two days and it will be organized as a **hybrid** conference with participation either on-site or online.

Date: February 18/19, 2025

The symposium
