14	M14,Safety: he didn't give them his phone number, they didn't talk on the phone		4	3	
15	M15,RC: from the way he reacted, it was clear he knew that giving a stranger his phone number is not safe		3		1 6
16	M16,RC: he's hesitant, he doesn't know exactly where the other children are from		3		1
17	M17,Locations of other children on CS: Moldova, Galati, Iasi, Bucharest (Romanian cities)		5		
18	M18,No. of new contacts on CS: 1-2 new friends, boys his age		5		
19	M19,Communication: they mostly talk on the CS chat, about the game, if they want to give him Admin power		5		
20	B20,Unpleasant experience: once a 20 years old boy scammed him into sending an SMS with an extra charge of 10 euros.		1		5
21	M21,Mediation: his mother almost confiscated his phone as a punishment for getting an additional cost on the phone		6		
22	M22,Strategy: he lied to his mother about it, saying he didn't know what happened, that maybe he talked too much by mistake		4	2	5
23	M23,Reaction: he was extremely pissed		2		5
24	M24,Coping: he started sweating at the other boy on messenger		2		2
25	M25,Unpleasant experience: The other boy claimed it didn't know about the surcharge		1		5
26	M26,Risk experience: Nothing else bad happened on CS		1		
27	M27,CS: he doesn't enter the classical server, he enters on different „modes”, he enters directly without previous approval		7		
28	M28,CS: if he uses bad language, an Admin can „gag” him (remove the chat function), or give him „destroy” which destroys his game.		3		2
29	M29,CS experience: he was once „destroyed” because he advertised another server		1		2
